4. Our factory was founded in 2000 year and is engaged in the development and tailoring of wedding, evening and flower girl's dresses. Also we produce veils.

We manufacture 3 brand:

Slanovskiy – premium segment. In these designs is necessary to have expensive fabrics and lace. Handmade operation of all components reaches 1000 hours.

Angelo Medici - the middle line. Quality materials and hand-finishing of some elements makes every product a masterpiece.

Carla Sposa – popular line in the economy segment. High quality in compound with the affordable cost.

All fabrics for products purchased directly in factories producing textiles and lace, with which the factory have developed a strong relationship.

Production area 3000 sq.m.

Production capacity 4000 dresses per month

More than 100 new designs developed annually.

Certificate Euro 1

Our main advantage - high quality tailoring with lots of items made by hand at the same time affordable. Our factory sews dresses to order for world brands. Private label sewing is available.
